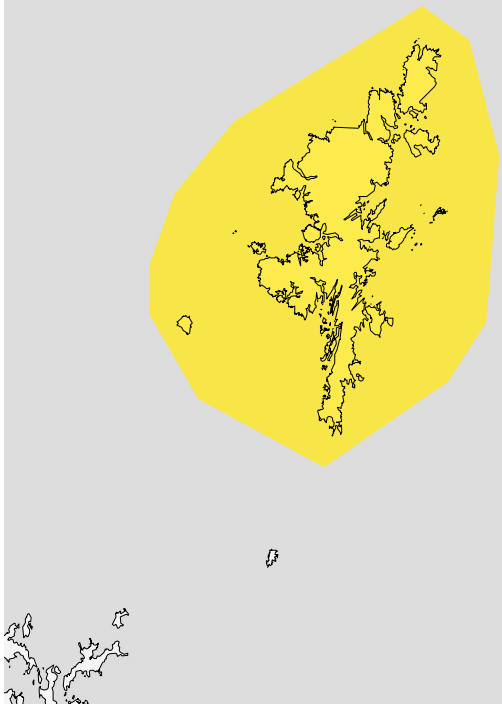
Yellow warning
Snow

Between
17:00 Mon 13 Mar 2023 and
11:00 Wed 15 Mar 2023



Further spells of heavy snow are likely to exacerbate current disruption.

What to expect

- Possible travel delays on roads stranding some vehicles and passengers
- Possible delays or cancellations to air travel
- Some rural communities could become cut off
- Power cuts may occur and other services, such as mobile phone coverage, may be affected

Further details

Further snow showers, heavy and prolonged at times, will continue to affect Shetland until Wednesday when showers will gradually fade later. Heaviest and most prolonged snow is likely to be during Tuesday evening when snow will be accompanied by gales and gusts 50-60 mph. Further accumulations of several cms of snow are expected.

Reason for update

Warning updated to include mention of wind.

Low likelihood of medium impacts
